## **Judged Entrees and Desserts**

**One of the highlights of the annual Taste of the Town event is the *Awards Presentation on Center Stage!***

Each year, crowds of people who attend the event gather around the Center Stage to see if their favorite restaurant will receive an award for *Best Entrée*, *Best Dessert*, *Best Booth Design*, or a *People's Choice* or *Kids' Choice* award.

Participating Restaurant chefs are equally excited and eager to find out if their specially-prepared Entrée and/or Dessert will be a winning recipe that earns "bragging rights" as a Taste of Town top choice!

Restaurant Participants are not required to submit menu items for the Judged Competition, but we find that most restaurants are *eager* for the chance to showcase their talented chefs and selected menu delicacies!

**Note to Participating Restaurants in the Judged Culinary Competition:**

**A Restaurant may submit only one Entrée item and/or one Dessert item to be judged, and the item(s) submitted for Judging must be menu items that the Restaurant will serve/sell at the event.**

**Please see the enclosed Judging Application for complete details, rules and regulations.**

**The Judging Application deadline is August 31, 2016.**

**Good luck!!!**
